State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for auto insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how the car is used, who drives the car, and information from consumer reports.

Your premium was determined by the information on drivers, driving records, and other information you provided, as well as consumer report information, including: Length of time accounts have been established; Average number of months since bank revolving accounts established.
